**4.1.1 The Institution has adequate infrastructure and physical facilities for teaching-learning. viz., classrooms, laboratories, computing equipment, etc.**

**Response:** The college has 28 rooms in total, out of which 6 are equipped with laboratories for physics, chemistry, botany, zoology, geography, and computer science. Additionally, there is a library with a reading room that contains 17000 books and magazines for the students. Two departmental libraries are also available for PG students - one for political science and the other for geography. To promote the health of the students, a gym room with modern equipment is also available.

**Library book collection**
