4.1.3.

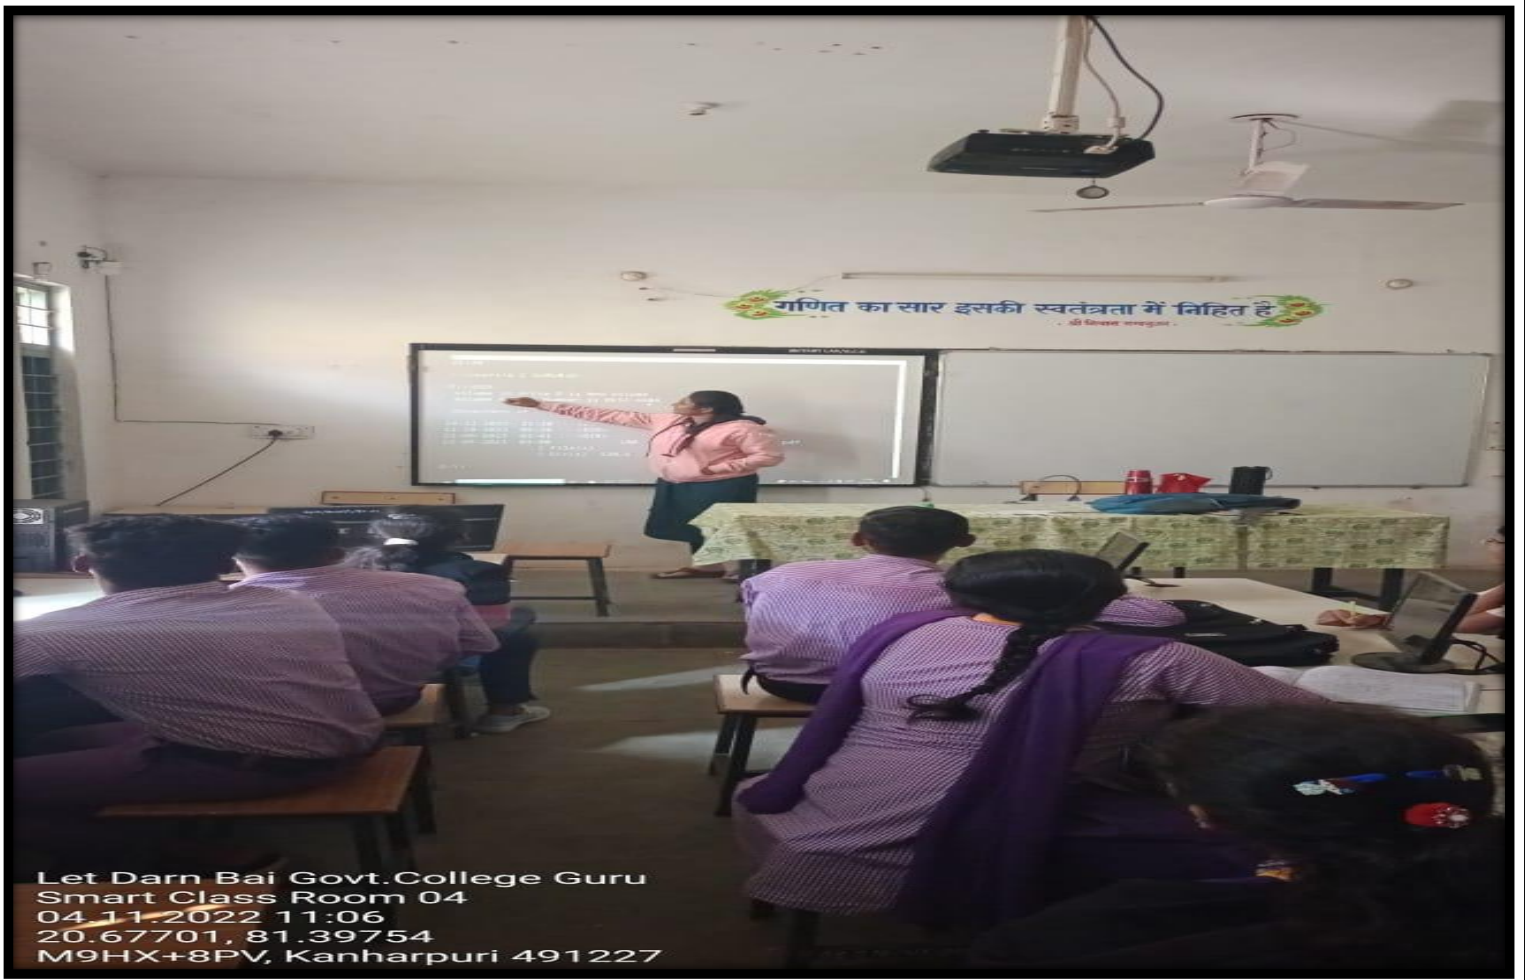

Number of classrooms and seminar halls with ICT-enabled facilities such as smart class, LMS,

Response:

I can see that four classrooms in the college are equipped with ICT - rooms 15, 18, 4, and 28. It's great to know that 28 classrooms in total have WiFi. Additionally, there are four smart classrooms and two ICT seminar halls, which are located in rooms 15 and 18. It's also reassuring to hear that the entire college campus is equipped with CCTV cameras.
