## Key Indicator – 4.2 Library as a learning Resource

### 4.2.1 Library is automated using Integrated Library Management System (ILMS)

#### Respon-

I understand that there is currently no approved post for a regular librarian and book lifter in the college. It seems that correspondence has been sent to the Higher Education Department about this matter from time to time. For now, the task of managing Granthpal is being handled by assistant professors of other subjects and the public participation committee. However, due to the lack of a regular post, automation work in this field is not being done. On a positive note, membership of N list has been obtained, which provides access to students and professors. I also understand that newly admitted students are being added to the membership.
