6.2.1 The institutional Strategic/ perspective plan is effectively deployed

Responses- Government College Gurur was established in the year 2007 it has 16 years completed. Our college vision is the focus on quality improvement and create a good education environment. The college is a government Institution it hence follows the Government Structure of the Department of Higher Education Government of Chhattisgarh.

Plan elements include many of the academic quality policies framed by the Staff Council and IQAC and implemented through various committees which are monitored by the principal institution and have a perspective plan for the development.

Strategic plan:- Academic planning & preparation of Academic Calendar. Preparation of the two types of teaching plan. All departments use Teaching-learning methods through ICT.

Promote research and cultural activities. Provided for all activities mentoring and Assistant support. Follow the feedback system. Performance enhancement through various activities. Implementation of best practices for students. Regularly conducted internal examinations.

Effective leadership and participative management:- Decentralization of the academic administration related to authorities and responsibility.

Quality Improvement:- Our college has focused on quality as all departments conducted various educational and co-educational activities.

Teaching learning process:- Institution various activities through ICT use and regularly conducted student participation through ICT.

Examination and evaluation:- Our institution has regular internal assessments, Group discussions, given student tasks, and evaluations of the student. Our institution has conducted assessments and evaluations, CT tests and five-time Internal examinations, and external examinations conducted parent university.

Human Resource Management:- Our institution has promoted courses, Orientation Courses, and short-term courses for the faculty member.

Admission of Students:- Our Institution follows student admission rules and guidelines of the Department of Higher Education of the Chhattisgarh government and the parent University.

The main strategic plan of the institution:

Increase the number of students.
Make the college a completely Eco-friendly campus.
Create institutional effectiveness through a quality assurance system.
Conduct state, national, and international, programs like conferences, seminars, webinars, etc.
Create research opportunities and provide facilities.
Create a new UG program.
Create Post Session - librarian, sports officer book lepton.
Create a new post-lab technician, lab attendant, and sweeper.
Increase the ICT facility.
Demand infrastructure facilities, and buildings from state government.
Demand according to need teacher full fill by local management
Conduct state-level, national-level, and international level workshop

As per the Strategic Plan of the Institution, it is proposed to focus on improving academic excellence, curricular, co-curricular, and other activities. Participative management, involvement, and accountability are given importance in the successful implementation of the strategic plan.

SHORT Term plan 2022-23 to 2024-25
