3.2.1 Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

LT.Daran Bai Taram Government College Gurur has well-equipped and well-equipped classrooms. There is a provision of a practical room for the practical work of students in practical subjects. Here students complete practical work according to their syllabus. The college has a computer lab equipped with projectors in which DCA and PGDCA classes are conducted. Projectors are installed in 05 classrooms of the college. Computers are installed in all the departments of the college for the use of students through which study material like PPT, Online Notes and Projects are prepared. Guest lectures, rangoli, poster, essay, mehndi and model competitions are organized by all the departments of the college for the benefit and development of students. 2 seminars were organized by the Commerce Department. Public awareness programs and the message of cleanliness are given to the citizens through the NSS unit run by the college. Awareness is created about health through the Red Cross Society. In this way, through various activities of the college, students are motivated to participate in innovation, activities and awareness programs. Assistants working in the college 07 research papers were published by the professors in the session 2023-24. The college library has textbooks of progressive thinkers, magazines, monthly magazines, newspapers, employment news etc. and these are arranged which can help the students to develop their new knowledge and understanding.
